To All Parents/Carers

IMPORTANT INFORMATION

Welcome back to a new term and a new year. With the threat of inclement weather, I would like to remind parents that all details relating to school closure will be shared on the school's website www.maestegcs.bridgend.sch.uk. We will make every reasonable effort to ensure that the school remains open to all pupils and staff.

May I also take this opportunity to remind parents/carers who transport their child/children to and from school, to use the designated spaces around the drop off zone and the additional spaces on Ffordd Dysgu. Too many drivers are continuing to drop off children directly at the bottom of the steps rather than using the full extent of the 'drop off' zone. This is causing queues to form on Ffordd Dysgu and is a potential hazard to pedestrians and other road users.

School staff and colleagues in the Council's Transport and Health & Safety Departments are still observing cars waiting on double yellow lines, waiting on other prohibited areas and parked on footpaths. We have been informed that Council Enforcement Officers will continue to make unannounced visits to the site and will issue penalty notices where appropriate. We have also observed cars travelling in excess of the 20 mph speed limit. Such practices increase the danger to our pupils as they arrive at and leave school.

I do appreciate that there is congestion on Fford Dysgu especially at the end of the school day, but can I please ask for your cooperation to help ensure that all our pupils are able to travel to and from school in safety.

Yours sincerely,

Headteacher
