LAUREN HOPKINS

HEAD OF CADRAWD / LEADER OF ASPIRE QUADRANT

I am Lauren Hopkins, Head of Cadrawd House and the Aspire Quadrant. The pupils within my quadrant are already achieving and surpassing both progress and effort levels targeted by teachers. My main aim is to ensure that they are as prepared and organised as they can be for their upcoming examinations. I am ensuring this is done through revision project deadlines and interventions. The amount of effort you put in is directly related to the amount of gains you make, therefore, my main focus is to support each pupil and ensure individual needs are met.

LISA WARD

HEAD OF DAREN / LEADER OF ACCELERATE QUADRANT

I am Lisa Ward, Head of Daren House and leader of the Accelerate Quadrant. My primary responsibility is to manage the pastoral and well-being needs of all pupils in Daren House, ensuring their journey in Maesteg is a positive one. As a Head of House I work closely with the pupils to ensure they gain the skills, qualifications and confidence they need when they leave Maesteg School as young adults. I am also the Accelerate Quadrant Leader for Year 11 pupils. The pupils in my quadrant typically give as much effort as they possibly can but are not achieving their target grades. I have been developing a unique programme of study involving our Year 12 and 13 pupils acting as mentors. This is designed to help pupils achieve their full potential as well as improve their confidence within their studies.
