Yours sincerely

1	Clare Harris	As a parent I feel it is essential to strive to ensure our children receive the best possible education to prepare them for their future. A school's success is primarily judged on the standards achieved by its pupils. School Governors play a pivotal role in supporting a school in its strategic planning and raising of standards. I have had 23 years' experience working within the education sector and am currently a Primary Deputy Head teacher. I believe my extensive experience and knowledge would be an asset to the Governing Body of Maesteg School.
