

3D DESIGN

AS LEVEL

Year 12 3D DESIGN Transition Tasks

Select an area of study and develop ideas that are informed by a contextual study of past and present. For example design a new piece of furniture that is inspired by pop art or design a new building that is inspired by nature.

- ⇒ Write up about your contextual study and fully annotate your ideas.
- ⇒ Evaluate your work fully.

Possible areas of study include:

- ⇒ jewellery design
- ⇒ interior design
- ⇒ product design
- ⇒ environmental design
- ⇒ architectural design
- ⇒ furniture design.
