

When I first visited the school on transition day, I was worried that I could get lost in the school, but the first few weeks I realised it wasn't that big.

The pupils that had been there a while were very friendly and if I got lost or didn't know where a classroom was, they were always willing to help me.

Before starting Maesteg Comprehensive I felt very nervous but also very excited to meet my teachers and make new friends.

I joined the school Hockey Team and I enjoy training and I'm looking forward to a game.

Have a good summer and see you in September!
