3rd February 2022

Dear Parents/Carers,

We had the sad task today of informing our school community of the death of Millie Carter, a pupil in year 9. Millie died on her way to hospital after being taken ill quite suddenly on Wednesday morning.

When someone dies, their family and friends have lots of feelings of sadness, anger and confusion – these are all common. The pupils have been told that their teachers are willing to try to answer their questions at school, but we have made available some information which may help to answer your child's questions as they arise. This information is available from Mrs Sullivan's office.

When we are informed of the details of the funeral we will let you know, if the family give their permission for us to do so.

Our thoughts are with the family at this sad time.

Yours sincerely
